# End of School Year Newsletter

Dear parents,

The 23-24 school year has come to an end. The last days were filled with fun activities and celebrations. With pride, we celebrate our student's successes and cherished fun times the school walls were filled with laughter and good times. I want to thank our students, for their hard work and for surpassing themselves, and for always being there to encourage their friends and take care of everyone at school. (even us the adults ;)). I want to thank the entire Bancroft team for their dedication to helping students achieve their best and for all the warmth & care they give the students to create such a caring learning environment. I also take this opportunity to thank the parents on Governing Board for efficient and positive meetings supporting the schools' projects. Finally a special word of thanks to the parent volunteers and the PPO team for making every school event fun, well-organized, and memorable! Because of all of you, it was a FANTASTIC YEAR!

Now, as we are about to start the summer holidays, we send you this email containing all the information you will need to get ready for the next school year.

On behalf of the entire Bancroft Team, we wish you all the best for the summer holidays! May they be filled with joy & loving moments with family and friends. Have fun ! and we will see you all back in August.

Myrienne Lusignan  
Your proud principal
