2025-2026 Lunch Supervision Fees

Each year, the school collects fees for the payment of monitors to supervise the students during the lunch hour. All parents are obligated to pay the annual Lunch Supervision fees of approximately **\$270 per child** (\$1.50 per day). *Please note that students who have their child(ren) registered for B.A.S.E. have lunch supervision included in their BASE Daycare fees.

Payment methods

Payments can be made by cash/cheque or online (see below). All parents will receive a statement of account each month. Parents may choose to submit a payment in full at the beginning of the school year or in two installments, but the preference is that payments are made **monthly** in order to avoid creating reimbursement cheques in the event of an unforeseen school closure. Paying monthly allows those reimbursements to be credited for the following month.

1) Cash/cheque:

In a sealed envelope, please clearly identify your child(ren)'s name and homeroom. Envelopes are given to the homeroom teacher, and the teacher will forward the payments to the BASE Daycare technician. Parents will receive tax receipts for the fees which the school already has information for. Cheques should be made out to:

- **“Bancroft School”**
or
- **“Bancroft Daycare”** if your child attends BASE Daycare
**a friendly reminder that K4 and K5 automatically fall under BASE Daycare for lunch*

2) Online payments:

When paying online select **“Bancroft School”** if you're paying only lunch fees and select **“Bancroft Daycare”** for BASE.

*A form with the steps on how to pay online will be sent home with each child during the first week of school. Please verify your child(ren)'s agenda or pocket folder as forms are specific to each student.

❖ *The lunch fee does not pertain to the cost of ordering hot lunches. This service is not subsidized by MEQ or the EMSB. Information regarding the hot lunch program offered by Le Doral can be found on their website: <https://www.ledoral.com/>.*
