

Progressive Entry to K4 & K5 2026-2027

We understand that the transition to Preschool can be challenging for our youngest students and their families, so the first few days of school have been structured to allow for a progressive entry where they can slowly transition to their new routine over several days, as outlined below:

September 1 – (10h30-11h30) Parent Information Session – Online

- *The link will be sent by email in August*
- *No School for Kindergarten 4&5*

September 2 – (9h30-11h30) Mini-Day

September 3 – (9h05-11h30) Half Day

September 4 – (9h05-15h45) Full Day*

**School bus & daycare available to the students registered*

IMPORTANT

Please note that transportation and daycare services will **NOT** be available for K4 & K5 students during the Progressive Entry period.

Parents will be responsible for dropping off and picking up their child(ren) until Friday September 4, 2026.

Thank you for your cooperation
